

A DIVISION OF
CIMS

Service Technician (Refrigeration/HVAC), Kitimat – BC

We are looking for ***a highly motivated individual with strong communication, collaboration, and troubleshooting skills to work within the service department*** at our Kitimat, B.C. location (101 Industries).

101 Industries is one of the largest multi-discipline trade contractors in Northwest BC, serving a diverse group of industrial and commercial customers across a wide range of industries. CIMS LP is 100% Canadian owned and operated mechanical contractor serving locations across Canada. In addition to be an industry leader and formidable market leader, CIMS is passionate about hiring and retaining the market's best talent and offers exciting work, training & development, engagement, and opportunity to all its employees.

In the position of ***Service Technician***, you will be responsible for the smooth assembly and installation of refrigeration and air-conditioning systems and components for ongoing projects.

You will be accountable for:

- Installing, troubleshooting and overhauling entire heating, ventilation, air conditioning and refrigeration systems
- Performing routine maintenance
- Repairing and replacing components for entire heating, ventilation, air conditioning and refrigeration systems
- Installing, maintaining and repairing equipment in refrigerated trucks
- Preparing work estimates
- Reading and interpreting blueprints
- Install and calibrate related controls (including wiring)
- Apply local industry codes and safety requirements on each job
- Provide technical support in the field servicing mechanical and HVAC systems

To qualify for this role you must have:

- Refrigeration JM or 3rd year or higher apprentice
- 1-2 years experience as a qualified HVAC Technician / Refrigeration Mechanic.
- Drivers' License with a clean Driver's abstract
- Provincial Safety Authority Gas Ticket is an asset
- Basic computer skills required (Outlook and Internet Explorer)
- Strong customer service and relationship building skills
- Good communication skills, both verbal and written
- Must be able to work well in a fast-paced high-pressure environment
- Demonstrate attention to detail and a high level of accuracy

- Must be able to prioritize to ensure timely completion of tasks and meet tight deadlines

Only candidates who are most qualified for the position will be contacted.

If you feel you are qualified for this role, please submit your resume to hr@cimsltd.com quoting “Service Technician (Refrigeration/HVAC)” in the subject line.
