

101 INDUSTRIES ANNOUNCES NEW PARTNERSHIP WITH CIMS LP

101 Industries (“101”), a leading multi-discipline contractor in northwest BC, is very pleased to announce a new partnership with CIMS Limited Partnership (“CIMS”).

The owners of 101, Mark Harnadek and Thom Meier, have been exploring opportunities to support 101’s continued growth in the region. This partnership will quickly and dramatically expand the capabilities of 101 to provide a greater depth of services to both existing clients as well as new clients associated with LNG development. The partnership with CIMS is an ideal outcome for 101 and all of its stakeholders.

CIMS is very pleased to be extending its presence in the northwest BC construction market at a time of high activity. CIMS’ management believes the partnership with 101 is an excellent fit for both companies which share common core values of safety, leadership, and providing exceptional value to their clients.

Going forward, 101 will continue to operate in the region in the same way it has been for over 50 years but now with significant support for major projects from CIMS. Owners Mark and Thom will continue to lead the business and deliver world-class results for their clients.

About 101 Industries

101 Industries is one of the largest multi-discipline trade contractors in northwest BC, serving a diverse group of industrial and commercial customers across a wide range of industries. 101 is based in Kitimat, BC, with facilities in Kitimat and Terrace. In its 51-year history, 101 has differentiated itself through its integrated value proposition, offering customers a one-stop-shop for mechanical, architectural and structural/fabrication work.

About CIMS

CIMS is a leader in providing heavy duty mechanical maintenance and construction for the oil and gas, mining, power generation, agriculture, and pulp and paper sectors. The company operates across western Canada and Ontario and focuses on installing, maintaining and repairing boilers, reactors, precipitators and other pressure vessels. CIMS is headquartered in Port Coquitlam, BC, with five locations across Canada and one in the U.S.
