

A DIVISION OF
CIMS

SERVICE TECHNICIAN – KITIMAT, BC

101 Industries, a division of CIMS Limited Partnership, is seeking a highly motivated individual with strong communication, collaboration, and troubleshooting skills to work within the service department at our Kitimat, B.C. location.

In the position of **Service Technician**, you will be responsible for the smooth assembly and installation of refrigeration and air-conditioning systems and components for ongoing projects.

You will be accountable for:

- Installing, troubleshooting, and overhauling entire heating, ventilation, air conditioning and refrigeration systems.
- Performing routine maintenance and installing, maintaining, and repairing equipment in refrigerated trucks.
- Repairing and replacing components for entire heating, ventilation, air conditioning and refrigeration systems.
- Preparing work estimates and reading and interpreting blueprints. Apply local industry codes and safety requirements on each job. Install and calibrate related controls (including wiring).
- Provide technical support in the field servicing mechanical and HVAC systems.

A successful candidate would be an individual who has exceptional time management skills with ability to work well in a fast-paced high-pressure environment. While demonstrating attention to detail and high levels of accuracy. Refrigeration JM or 3rd year and higher apprenticeship with 1-2 years' experience as a qualified HVAC Technician/ Refrigeration Mechanic. Driver's license with a clean Driver's abstract. Provincial safety Authority Gas Ticket is an asset. Basic level of computer skills required (Outlook and Internet Explorer. **Willing to join union 170 Members or are a unionized member.**

Working conditions you can expect while performing your role to include working in both an office environment and on client sites, supplier premises and other facilities. Occasionally shift work and shift rotations at client sites. Operating from a service vehicle. Frequently required use of PPE for safety prevention measures. Repetitive movement, lifting, standing, and walking are required. May be required to work outside in all season weather conditions. Operating from a service vehicle as needed. Perform multiple tasks related to the heating ventilating and working with mechanical trades including sheet-metal and piping trades.

About Us:
